## Our Dance Program & Philosophy

Since opening its doors 2003, the Ferndale Dance Academy has become a vibrant center for dance in Humboldt County. In 2014, FDA students began competing at the Tremaine and JUMP Dance Competitions and have brought home multiple awards including First Place and Gold for Junior Ballet Duet, Second Place for Teen Ballet Solo, Second Place for Teen Solo Open/Acrobatic, and Third Place for Teen Contemporary Duet. Each year we strive to better our training and provide our students with greater opportunities for enrichment. Dance classes at FDA are ideal for developing physical strength, stamina, and flexibility, promoting discipline and concentration, and fostering positive self-esteem and team work. At FDA, we help our students develop the confidence and character that are so important for well-being and success in all walks of life.

### *Our program offers:*

## Sponsorship Program

Each year the young dancers in our community bring to life a story that captures the hearts and imaginations of audiences. Not only do the productions provide a showcase for the talents and hard work of young performers, they bring our community together for an event that is both positive and enriching. The many individuals and businesses that have contributed to our program over the years have helped to make this possible. By becoming a season sponsor, you help us to continue to make this opportunity available to both present and future generations.

Contributions from our sponsors are used in the following vital areas:

- Theater and Technician Fees
- Lighting and Sound Design
- Music and Choreography Fees
  - Costumes and Props
  - Programs and Posters
